SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Normal Operations	Normal Operations	Normal Operations	Normal Operations

Cal OES INLAND REGION

Train Derailment, Roseville, Placer County, SPILL: 19-2479

On 04/16/19 at 1135 hours, the California State Warning Center (CSWC) received a report from Union Pacific Railroad (UPRR) advising that one locomotive derailed in the upright position due to a track issue.

- There were no hazardous materials released and no injuries reported.
- UPRR responded to the scene to re-rail the locomotive.
- CSWC personnel performed notifications per SOP.

Cal OES COASTAL REGION

Proclamation

- A Proclamation Continuance for the February Winter Storms was received from Marin County. At this time the county is not requesting additional assistance.

Cal OES SOUTHERN REGION

Train Derailment, Buena Park, Orange County, SPILL: 19-2471

On 04/16/19 at 0808 hours, the California State Warning Center (CSWC) received a report from Union Pacific Railroad (UPRR) advising that one train car loaded with lumber derailed in the upright position due to human error.

- There were no hazardous materials released and no injuries reported.
- CSWC personnel performed notifications per SOP.

- None reported.

WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Lingered showers taper off this morning. Dry and warmer conditions return beginning Wednesday.
- A warming trend is forecast for Wednesday and Thursday, with temperatures expected to climb well above normal by Thursday with widespread 80s for inland locations.
- Some light precipitation is possible over the weekend.

SOUTHERN CALIFORNIA

- A weak storm system will move through the area bringing a chance of light showers through this morning.
- No more than a tenth of an inch is expected with rainfall totals.
- Clouds should clear Wednesday, and high pressure building over the region allowing for higher than normal temperatures to occur Wednesday-Friday.

WEATHER KEY POINTS

04/16/19 - 04/22/19

Tuesday

- Snow will be ending late this morning across the Sierra Nevada Mountains
- Winds of 25 to 35 mph with gusts to 50 mph across inland and southern California will bring the potential for downed limbs, trees, and power lines through this evening.

Wednesday-Friday

- Increased temperatures midweek will begin to melt snowpack and will likely lead to rises in rivers and streams. No flooding impacts expected at this time.
- Dry conditions and offshore flow are expected with temperatures 10 to 15 degrees above normal.

Saturday-Monday

- Winds will increase this weekend across California, bringing the potential for downed limbs, trees, and power lines.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-1150, 04/15/19, 1142 hours:** Received a call from Glenn County Sheriffs Office requesting four (4) Human Remain Detection (HRD) K9s to assist in a search in a law sensitive mission. **1214 hours:** Contacted state K9 coordinator and provided him mission information. **1705 hours:** State K9 coordinator confirmed K9s for mission. **MISSION ONGOING**
- **2019-LAW-1138, 04/14/19, 1053 hour:** Received a call from El Dorado County requesting a mission number for a search at Folsom Reservoir. The search is for a missing jet skier and they are requesting boats with side scan sonar and divers. They confirmed they have coordinated with Placer County to deploy divers and one boat with side-scan sonar. They have also coordinated with Sacramento County to deploy one boat with side-scan sonar. Resources are requested to respond to Brown's Ravine boat launch on 04/16/19 at 0800 hours. Per El Dorado County, these resources have been coordinated and will deploy in the morning. **MISSION ONGOING**
- **2019-LAW-1045, 04/13/19, 1203 hours: MISSION REOPENED: 04/14/19, 0820 hours:** Cal OES LDO received a call from Air Force Rescue Coordination Center (AFRCC) advising they spoke with Modoc Sheriffs Office, who advised they were not searching for the original missing subject we initially requested forensics. They requested to confirm this with Modoc. **0835 hours:** Contacted Modoc Sheriffs Office and they confirmed the original missing person is still considered to be in the group, but they identified an additional subject that's potentially in the group that is diabetic and may not have taken their medication in the past two days. **0849 hours:** Region III Law Coordinator deployed to support this incident. **0900 hours:** Contacted AFRCC and advised them Modoc recognizes the original identified MP is still with the group they're searching for. **1028 hours:** Received cell number for additional MP believed to be in the group. **1031 hours:** Contacted AFRCC and provided cell number and requested cell phone forensics. **1805 hours:** Received an email from AFRCC advising one missing person's cell phone had turned on. **1841 hours:** Received an email from AFRCC advising they received a GPS accurate location with coordinates of 40.88870/121.65604 +/- 43 feet. The location appeared to be a residence. I passed this information to our assigned Region III A/C, who confirmed that missing person was located and was okay. The two other subjects have not been located. Search efforts are continuing for those subjects. **04/15/19, 1028 hours:** received cell phone information for second missing subject. The phone belonged to an acquaintance of the missing subject and was in her name. Provided cell phone information to AFRCC for forensics. I requested the mission remain open to monitor if the phone powers up. **1912 hours:** Received a call from Siskiyou Sheriffs Office advising US Forest Services (USFS) located tracks and an arrow formed with wood. They will be deploying to that area in the morning to initiate search from that area. Shasta Sheriffs Office will be assisting. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)
